Presente continuo: negativas y preguntas

Repaso: negativas, preguntas y respuestas cortas

En una negativa larga usamos be + not + verbo con -ing: I am not reading. En una pregunta ponemos be antes del sujeto: Are you reading? En una respuesta corta afirmativa usamos be completo: Yes, I am. En la negativa de esta ficha escribimos am not con I; con los demás pronombres, isn't o aren't. I lleva am; he, she e it, is; you, we y they, are. Los nombres singulares llevan is y los plurales, are. You siempre lleva are. Mira el contexto, el signo de pregunta y Yes o No.
