Presente simple o presente continuo

Rutina o ahora: I, you, we y they

Para una rutina usamos presente simple: I read every day. Con I, you, we y they el verbo va en su forma básica. Para una acción que está ocurriendo usamos am, is o are y el verbo con -ing: I am reading now. I lleva am; you, we y they llevan are. You lleva are tanto para tú como para vosotros. Usa el mismo verbo principal de la primera frase: read pasa a reading; make a making; run a running. Algunas formas cambian al añadir -ing: write pasa a writing; sit a sitting; swim a swimming; put a putting; cut a cutting. Las palabras de tiempo ayudan, pero hay que entender la situación. Aquí escribimos las formas completas, sin contracciones.
