Presente simple o presente continuo

Lo habitual y una situación temporal

El presente simple cuenta lo habitual: We work at school every day. El continuo también cuenta una situación temporal, aunque no ocurra justo al hablar: This week we are working at home. Mira si la segunda frase cuenta una rutina o un cambio temporal. En simple, I, you, we y they llevan la forma básica; he, she, it y nombres singulares añaden -s o -es. En continuo usamos am con I, is con singulares y are con you y plurales; después va -ing. Escribe las formas completas.
