Presente simple o presente continuo

Preguntas: do, does o una forma de be

En una pregunta sobre una rutina, do o does va antes del sujeto y luego va el verbo básico: Do you walk every day? Does Mia walk every day? Usa do con I, you, we, they y plurales; does con he, she, it y nombres singulares. Para preguntar por una acción que está ocurriendo, usamos am, is o are antes del sujeto y luego -ing: Are you walking now? I lleva am; he, she, it y nombres singulares, is; you y plurales, are. You siempre lleva are. El verbo principal ya está escrito. No juntes do o does con -ing para formar el continuo.
