Presente simple o presente continuo

De la acción de ahora a la rutina

La primera frase cuenta una acción que está ocurriendo: Mia is reading. La segunda cuenta una rutina: She reads every day. Usa el mismo verbo principal en presente simple. Con I, you, we, they y plurales usa la forma básica: read. Con he, she, it y nombres singulares añade -s o -es: reads, watches, washes, fixes, brushes. Study pasa a studies; carry a carries; fly a flies. Have pasa a has y go a goes. Quita el auxiliar del continuo: la respuesta es solo el verbo de la rutina.
