Presente simple o presente continuo

Repaso: auxiliares de los dos presentes

El presente simple cuenta rutinas y estados: Do you know? She doesn't work on Sundays. Usa do o don't con I, you, we, they y plurales; does o doesn't con he, she, it y singulares. Después va el verbo básico. El continuo cuenta una acción en curso: Are you reading? She isn't reading. Usa am con I, is con singulares y are con you y plurales; después va -ing. Las respuestas cortas repiten el auxiliar: Yes, I do; No, she isn't. Mira el contexto y el tipo de frase. En negativas usa am not después de I y la contracción del auxiliar con not para los demás casos.
