Verbos de estado y de acción

Verbos de acción: formas para ahora

Para una acción que está ocurriendo usamos am, is o are y el verbo con -ing: I am reading. Con I va am; con he, she, it y nombres singulares, is; con you, we, they y plurales, are. You siempre lleva are. Usa el verbo principal de la primera frase. Read pasa a reading; write a writing; make a making. Recuerda run: running; sit: sitting; swim: swimming; put: putting; chat: chatting; shop: shopping. No todas las consonantes se duplican: open pasa a opening.
