Verbos de estado y de acción

Estados y acciones: negativas

Para negar los estados de esta ficha usamos don't o doesn't y el verbo básico: I don't know; she doesn't know. I, you, we, they y plurales llevan don't; he, she, it y singulares, doesn't. Para negar que una acción ocurra ahora usamos am not con I, isn't con singulares y aren't con you y plurales. Después va -ing: I am not reading. El contexto indica que el estado o la acción no se da. I ya está escrito: completa con am not en el continuo; para los demás casos usa la contracción del auxiliar con not.
