Always con el presente continuo

Quejas repetidas: completar am, is o are

Always significa siempre. Con el continuo destaca una repetición, a menudo molesta, pero también puede expresar agradecimiento o admiración. No tiene que estar pasando ahora. Escribimos persona + am/is/are + always + verbo-ing. Usa am con I; is con he, she, it y nombres singulares; are con you, we, they y plurales. You siempre lleva are.
