Always con el presente continuo

Quejas repetidas: la forma completa

Always significa siempre. Con el continuo destaca una repetición, a menudo molesta, pero también puede expresar agradecimiento o admiración. No tiene que estar pasando ahora. Aquí destacamos una repetición molesta con am/is/are + always + verbo-ing. Usa el verbo principal de la primera frase. Usa am con I; is con he, she, it y nombres singulares; are con you, we, they y plurales. You siempre lleva are. Recuerda: forget → forgetting, put → putting, drip → dripping y lose → losing.
