Always con el presente continuo

Preguntar por una repetición molesta: Why

Always significa siempre. Con el continuo destaca una repetición, a menudo molesta, pero también puede expresar agradecimiento o admiración. No tiene que estar pasando ahora. Why significa por qué. Para estas preguntas escribimos Why + am/is/are + persona + always + verbo-ing. Usa am con I; is con he, she, it y nombres singulares; are con you, we, they y plurales. You siempre lleva are. No usamos do o does en estas preguntas con -ing.
