Always con el presente continuo

Respuestas cortas sobre acciones repetidas

Always significa siempre. Con el continuo destaca una repetición, a menudo molesta, pero también puede expresar agradecimiento o admiración. No tiene que estar pasando ahora. La respuesta corta repite am, is o are de la pregunta. A you respondemos con I si hablamos de nosotros mismos: Are you...? Yes, I am. A Am I...? respondemos con you: No, you aren't. En afirmativas escribe la palabra completa. En negativas usa am not después de I y las contracciones isn't o aren't en los demás casos.
