Pasado simple: verbos regulares

Pasado regular: añadir -ed

Usamos el pasado simple para contar algo que ocurrió antes. Con los verbos regulares de esta ficha añadimos -ed: walk → walked. La forma es igual con I, you, he, she, it, we y they. Usamos la escritura americana: learn → learned, travel → traveled. Aquí también aparecen play → played y enjoy → enjoyed: una vocal antes de y permite conservar la y. Usa el verbo principal de la primera frase y completa la segunda en pasado.
