Pasado simple: verbos regulares

Pasado regular: duplicar la consonante

En verbos cortos de una sílaba, que terminan en consonante + una vocal + una consonante, duplicamos esa consonante: stop → stopped, plan → planned. No duplicamos w, x ni y. Con más sílabas y esa misma terminación, se duplica si la última lleva el golpe de voz: permit → permitted, prefer → preferred, regret → regretted. Stir da stirred. Open, visit, listen y answer no duplican. Aquí usamos las formas americanas traveled y learned.
