Pasado simple: verbos regulares

Pasado regular: contar acciones terminadas

Para contar una acción terminada, usamos el pasado simple. Los verbos regulares añaden -ed; si terminan en e, solo -d: repair → repaired, notice → noticed. La forma es igual para todas las personas. Las palabras yesterday y last week ayudan a situar estas acciones en el pasado. Usa el verbo principal de la primera frase.

Ejemplo resuelto

I borrow books. Last week, I ____ a book about dogs. → I borrow books. Last week, I borrowed a book about dogs.

Tomo libros prestados. La semana pasada tomé prestado un libro sobre perros.

Usa el verbo principal de la primera frase. Completa la acción pasada con una sola palabra.
