Pasado simple: verbos regulares

Negativas: verbo básico después de didn't

Para decir que algo no ocurrió, usamos didn't y el verbo básico: didn't clean. Didn't ya indica pasado; el verbo siguiente no lleva -ed. También recupera su escritura básica: carried → didn't carry, stopped → didn't stop. Cada situación compara una acción realizada con otra que no ocurrió. Usa el verbo de acción de la primera parte, antes de but.
