Pasado simple: verbos irregulares

Pasados irregulares: acciones cotidianas

Algunos verbos no forman el pasado añadiendo -ed. Hay que aprender su forma: go → went, have → had, do → did, make → made. Los verbos de esta ficha tienen el mismo pasado con todas las personas: I went, she went, they went. Be es distinto: usa was o were y no se practica aquí. Read se escribe igual en presente y pasado; en pasado suena como red. Usa el verbo principal de la primera frase.
