Pasados regulares: escritura y sonidos

Pasados regulares: añadir -ed

En los verbos de esta ficha basta con añadir -ed para contar una acción pasada: work → worked, play → played. Si antes de y hay una vocal, la y se queda: play → played. No cambiamos el verbo según la persona: I worked, she worked. Otros verbos necesitan cambios de escritura; los veremos en las siguientes fichas. Usa el verbo principal de la primera frase.
