Pasados regulares: escritura y sonidos

Repaso de las reglas de escritura

Normalmente añadimos ed: work → worked. Si el verbo termina en e, añadimos solo d: smile → smiled. Con consonante + y cambiamos y por ied: study → studied; con vocal + y mantenemos y: play → played. En los verbos cortos como stop, con una sola vocal entre consonantes, duplicamos la última: stopped. No duplicamos w, x ni y; fix → fixed. Usa el verbo principal de la primera frase.
