Pasados regulares: escritura y sonidos

Pasados con terminación /d/

En estos verbos, ed suena /d/, sin añadir una sílaba: played, cleaned, lived. El verbo básico termina en una vocal o en un sonido con voz, como /n/, /l/, /v/ o /z/. Si acaba en /d/, la terminación es /ɪd/, como needed; aquí no aparece ese caso. Para escribir: añade ed; tras e, solo d; con consonante + y, cambia y por ied. Usa el verbo principal de la primera frase.
