Pasados regulares: escritura y sonidos

Pasados regulares en situaciones cotidianas

Usamos el pasado simple para contar acciones terminadas. Con estos verbos regulares: añade ed; tras e, solo d; consonante + y pasa a ied; vocal + y mantiene y. En verbos cortos como stop, duplica la consonante final; no dupliques w, x ni y. La escritura es igual con todas las personas. Ed no siempre añade una sílaba: worked /t/, played /d/, wanted /ɪd/. Usa el verbo principal de la primera frase.
