Pasado continuo: formación y uso

Formas con -ing: sin otros cambios

El pasado continuo se forma con was o were y un verbo con ing. En los verbos de esta ficha añadimos ing sin quitar letras: read → reading, study → studying, carry → carrying. La y se mantiene. En inglés americano escribimos traveling con una sola l; usaremos esa escritura. Otros verbos necesitan cambios, como make → making y run → running. Usa el verbo principal de la primera frase.
