Used to: hábitos y estados del pasado

Preguntas sobre el pasado

Para preguntar por un hábito o estado antiguo usamos Did + persona + use to + verbo básico: Did you use to swim? Use va sin d porque did ya señala el pasado. Podemos añadir una palabra de pregunta: Where did you use to live? Did lleva mayúscula al principio; did va en minúscula después de where, what o how. Mira qué parte falta: did o use to. No escribas used to después de did.

Ejemplo resuelto
