Used to: hábitos y estados del pasado

Repaso de la escritura: used o use

En afirmativa escribimos used to, con d: I used to play. Después de did o didn't escribimos use to, sin d: Did you use to play? I didn't use to play. El verbo siguiente siempre va en su forma básica. Aquí solo falta used o use; to ya está escrito. Hay afirmativas, negativas y preguntas, pero el did o didn't visible permite saber qué forma corresponde.
