Would: acciones repetidas del pasado

El verbo después de would

Podemos usar would para contar acciones que hacíamos muchas veces antes. Primero situamos el recuerdo en el pasado: When I was a child, I would read every night. Después de would va el verbo básico, sin s, ed ni ing. La primera frase te da el verbo: cooks da cook, studies da study, goes da go. Aquí would ya está escrito. Used to también puede contar esas acciones, pero esta ficha practica el verbo después de would.
