Would: acciones repetidas del pasado

La forma completa de would

En los recuerdos podemos acortar would a 'd: I would sing → I'd sing; she would read → she'd read. Todas las personas usan 'd. Esa misma terminación puede significar had en otras estructuras, pero aquí va con un verbo básico y significa would. La primera frase muestra la forma corta; completa la segunda acción del mismo recuerdo con would escrito entero.

Ejemplo resuelto

As children, we'd swim in the lake. Then we ____ dry off in the sun. → As children, we'd swim in the lake. Then we would dry off in the sun.

De pequeños nadábamos en el lago. Después nos secábamos al sol.

Completa con would escrito entero.
