Would: acciones repetidas del pasado

La forma corta: pronombre + 'd

Para acortar would unimos 'd al pronombre: I'd, you'd, he'd, she'd, it'd, we'd, they'd. Aquí los recuerdos hablan de acciones repetidas y después va un verbo básico; por eso 'd significa would. Completa usando el mismo pronombre de la parte que empieza con When y añadiendo 'd. I siempre lleva mayúscula; los otros pronombres van en minúscula después de la coma.
