Would: acciones repetidas del pasado

Would para acciones; was y were para estados

Para contar cómo era una situación en el pasado podemos usar was o were: I was shy; we were neighbors. I, he, she e it llevan was; you, we y they llevan were. You siempre lleva were, sea tú o vosotros. Para una acción repetida en un recuerdo podemos usar would + verbo básico: Every day we would play. Mira qué sigue al hueco: una descripción ya completa o un verbo de acción básico. Aquí comparamos solo would, was y were.
