Would: acciones repetidas del pasado

Del pasado al verbo básico tras would

Después de would usamos el verbo básico, aunque el recuerdo empiece con un verbo en pasado: Dad told stories. Every night he would tell us one. Usa el verbo principal de la primera frase. Muchos pasados regulares pierden ed o d; fíjate en estos cambios: studied vuelve a study, carried a carry y stopped a stop. En otros cambia la forma: went → go, rode → ride, swam → swim, wrote → write, ate → eat, ran → run, took → take, sang → sing, met → meet, made → make, bought → buy, told → tell, gave → give, caught → catch, built → build, drew → draw, drank → drink, fed → feed.
