Used to, be used to y get used to

Estar acostumbrado: am, is y are

Be used to significa estar acostumbrado: algo ya nos resulta normal. No significa que nos guste. En presente usamos I am; he, she, it o una sola persona is; you, we, they o varias personas are. You lleva are tanto si significa tú como vosotros. Después de used to puede ir un nombre o un verbo en ing: I am used to the noise; she is used to working late. Aquí contamos cómo son las cosas ahora, en afirmativo.
