Used to, be used to y get used to

Preguntas: antes o estar acostumbrado

Para preguntar por un hábito o estado de antes usamos Did + persona + use to + verbo básico. Para preguntar si alguien está acostumbrado ahora ponemos Am, Is o Are delante de la persona y mantenemos used con d: Are you used to the noise? Am va con I; Is con he, she, it o una persona; Are con you, we, they o varias personas. Mira si después aparece use to o used to y qué persona sigue al hueco.
