Used to, be used to y get used to

Escribir el verbo en ing

Después de be used to y get used to, si ponemos un verbo, lleva ing. Usa el verbo principal de la primera frase. Normalmente añadimos ing: read → reading. Quitamos la e final que no se pronuncia: make → making. Lie cambia a lying. En formas como sit, swim, run, shop, plan, stop, cut, get, win, put, dig y begin duplicamos la última consonante antes de ing. Study conserva la y: studying. En inglés americano escribimos traveling con una sola l.
