Used to, be used to y get used to

Get o getting para acostumbrarse

Get used to significa acostumbrarse. Después de will, can o must usamos get sin cambiarlo: you will get used to it. También usamos get después de need to o have to: we need to get used to it. Para un cambio que está ocurriendo ahora usamos am, is o are + getting used to: I am getting used to it. En esta ficha todas las frases hablan de acostumbrarse; completa la forma de get, que ya tiene used to después.
