Present perfect: forma y participios

Participios regulares

Después de have o has va el participio. En los verbos regulares tiene la misma forma escrita que el pasado: clean → cleaned. Normalmente añadimos ed. Si el verbo termina en e, añadimos d: close → closed. Una consonante seguida de y cambia a ied: study → studied; pero play → played. En estos verbos duplicamos la consonante final: plan → planned, stop → stopped. Usa el verbo principal de la primera frase. Aquí have y has ya están escritos.
