Present perfect: forma y participios

Have/has + participio regular

Para completar una afirmativa en present perfect escribimos dos palabras: have o has y el participio. I, you, we, they y sujetos plurales llevan have; he, she, it y sujetos singulares llevan has. Usa el verbo principal de la primera frase. Los regulares suelen añadir ed; si terminan en e, añadimos d; consonante + y cambia a ied. Plan → planned; stop → stopped; play → played. En esta ficha ambos elementos faltan dentro de un mismo hueco.
