Present perfect: forma y participios

Negativas: haven't y hasn't

Para decir que algo no ha ocurrido usamos have not o has not + participio. En esta ficha escribimos las formas cortas: have not → haven't; has not → hasn't. I, you, we, they y los plurales llevan haven't. He, she, it y los singulares llevan hasn't. Yet, al final, significa todavía en estas negativas. El contexto cuenta qué sigue pendiente; el participio ya está escrito. No añadimos do ni does.
