Present perfect: ever y never

Ever: preguntas sobre experiencias

El present perfect cuenta experiencias hasta ahora: have o has + participio. En una pregunta normal, ever significa alguna vez: Have you ever seen snow? Va entre la persona y el participio. No indica cuándo ocurrió. Para un momento pasado terminado, como yesterday, usamos normalmente el pasado simple. En esta práctica hacemos preguntas neutrales con ever; never también puede aparecer en preguntas que expresan sorpresa, pero no es el uso que practicamos aquí.
