Present perfect: ever y never

Never: ninguna vez hasta ahora

Never significa nunca: la experiencia no ha ocurrido ninguna vez hasta ahora. Va después de have o has y antes del participio: I have never flown. Never ya expresa la negación; no añadimos not en estas frases. El contexto explica que la primera vez aún está por llegar o está empezando. En español podemos decir nunca he volado.

Ejemplo resuelto

I have ____ flown. My first flight is tomorrow. → I have never flown. My first flight is tomorrow.
