Present perfect: just, already y yet

Already: ya ha ocurrido

Already significa ya. Indica que algo ha ocurrido antes de ahora y a veces antes de lo esperado: She has already finished, ya ha terminado. En estas afirmativas lo colocamos entre have o has y el participio. Ya no hace falta repetir la acción. Practicamos solo already: una acción también podría ser reciente, pero aquí queremos destacar que ya está hecha.

Ejemplo resuelto

Don't wash it again. I have ____ washed it. → Don't wash it again. I have already washed it.

No lo laves otra vez. Ya lo he lavado.

Completa con already para indicar que la acción ya está hecha.
