Present perfect: just, already y yet

Yet en negativas: todavía no

En una negativa, yet significa todavía: I haven't finished yet, todavía no he terminado. La acción sigue pendiente y esperamos que ocurra. En esta ficha yet va al final. La negativa ya lleva haven't o hasn't y un participio; no añadas otra negación. Es un uso de yet, no todos: también aparece en preguntas como Have you finished yet?

Ejemplo resuelto

The box is still open. I haven't closed it ____. → The box is still open. I haven't closed it yet.

La caja sigue abierta. Todavía no la he cerrado.

Completa el final de estas negativas con yet.
