Present perfect: just, already y yet

Have o has con just y already

El present perfect lleva have o has + participio. Just significa que algo acaba de pasar; already indica que ya ha ocurrido. Aquí ambas palabras ya están escritas: solo falta el auxiliar. I, you, we, they y los sujetos plurales llevan have. He, she, it y un sujeto singular llevan has. You siempre lleva have. Class y team se consideran aquí un solo grupo: the class has, the team has.
