Present perfect: just, already y yet

Haven't o hasn't con yet

Para una acción pendiente usamos haven't o hasn't + participio + yet. Significa todavía no. I, you, we, they y los plurales llevan haven't; he, she, it y los singulares llevan hasn't. El contexto indica que la acción sigue sin hacerse. El participio y yet ya están escritos. No añadimos do ni does.

Ejemplo resuelto
