Present perfect: for, since y how long

For: cuánto tiempo

For introduce una duración: for two days, durante dos días o desde hace dos días. Aquí las situaciones empezaron antes y siguen siendo ciertas ahora: I have lived here for two years, vivo aquí desde hace dos años. Usamos have o has + participio. No basta con el presente simple para expresar esta duración hasta ahora. For también puede ir con otros tiempos; en esta unidad practicamos el present perfect.
