Present perfect: for, since y how long

Have o has en situaciones que continúan

Cuando una situación empezó antes y sigue ahora, usamos aquí have o has + participio: She has had her bike for a year. I, you, we, they y los plurales llevan have. He, she, it y los sujetos singulares llevan has. You siempre lleva have. For introduce una duración y since el inicio. El participio ya está escrito. All their lives también expresa duración, pero no necesita for delante.
