Present perfect o past simple

Ago o since: un hecho pasado o una situación que sigue

Ago significa hace: two days ago, hace dos días. Va detrás de la cantidad de tiempo y acompaña aquí al past simple: I arrived two days ago. Since significa desde y va delante del momento inicial: I have been here since Monday. La primera frase cuenta cuándo ocurrió algo; la segunda habla de una situación que llega hasta ahora.

Ejemplo resuelto

She moved here a year ____. → She moved here a year ago.
