## Did, Have o Has al preguntar

Un tiempo terminado, como yesterday o last year, lleva did + persona + verbo básico. Para experiencias hasta ahora o estados que continúan, usamos have o has + persona + participio. I, you, we, they y los plurales llevan have; he, she, it y los singulares llevan has. Mira tanto el tiempo como la forma del verbo: Did she fly yesterday? Has she ever flown? When pregunta aquí cuándo ocurrió una acción pasada.
