Present perfect o past simple

Forma pasada o participio: verbos irregulares

Usa el verbo principal de la primera frase. Un tiempo terminado pide su forma de past simple: write → wrote. Si ya aparece have o has, escribe el participio: write → written. Algunos verbos tienen formas iguales: buy → bought en ambos casos. Otros cambian: go → went, pero have gone; see → saw, pero have seen. No añadas otro have o has: el auxiliar ya está escrito donde hace falta.
