Been o gone

Been to: una visita terminada

Have been to o has been to significa que alguien ha visitado un lugar y ha vuelto. I have been to the store: he ido a la tienda y he vuelto. Been es la forma que usamos aquí para la visita terminada. No lo confundas con gone: en la diferencia que practicamos, gone indica que la persona sigue fuera. El contexto de cada frase confirma el regreso.

Ejemplo resuelto

I have ____ to the bakery. I'm back with bread. → I have been to the bakery. I'm back with bread.

He ido a la panadería y he vuelto con pan.

Completa con been para expresar cada visita terminada.
