Present perfect: simple o continuo

Have o has en las dos formas

El simple, have/has + participio, presenta un resultado, una cantidad terminada o un estado que continúa. El continuo, have/has been + -ing, destaca una actividad y su duración; puede seguir o acabar de parar. I, you, we, they y los plurales llevan have. He, she, it y los singulares llevan has. You siempre lleva have. Las palabras que siguen al hueco ya indican si la forma es simple o continua. Solo falta el auxiliar.

Ejemplo resuelto
