Present perfect: simple o continuo

Preguntas: Have o Has antes de la persona

Las dos formas empiezan la pregunta con Have o Has: Have you finished? Has she been studying? Después van la persona y las palabras restantes del verbo. I, you, we, they y los plurales llevan have. He, she, it y los singulares llevan has. You siempre lleva have. El participio o been + -ing ya está escrito. No ponemos do ni did delante de esas formas.
